### NOTABLE HIGHLIGHTS: (double plays, etc.)

The Giants and Twins played a solid game between both clubs. The Giants pitching staff combined for 11 strike-outs in the game and limited the Twins to any big hits. The Giants defense would be solid throughout the game not giving the Twins any help with runners in scoring position. The key to the Giants success today was putting the ball in play during crucial parts of the game. Mason Lane started the game with a nice RBI driving in Antonio Meeker in the first inning. The Giants would add 1 run in the second and third innings. The Giants would add to their lead with a big hit from Emmy Wilson scoring two runs. Logan Russell would stay steady on the mound in relief for Dekin Davis to finish the game. The Twins pitching staff would also combine for 11 strikeouts on the mound.
