NOTABLE HIGHLIGHTS: (double plays, etc.)

The Giants squared off for the final time vs the Mariners. The Mariners again would play shorthanded, especially with their pitching staff. The Giants would take advantage of the inefficiency of the Mariners pitchers to hit the strike zone. The Giants had only three offensive strikeouts throughout the game. The Giants would score in every inning making it difficult to climb back in the game. Logan Russell continues to be a solid pitcher on the mound for the Giants. He finished the game with 7 strikeouts and only giving up 4 hits in 4 innings. The Giants improve to 7-3 on the season and will be back in action Wednesday.
