NOTABLE HIGHLIGHTS: (double plays, etc.)

The Giants and Orioles squared off for the final time this season. Both clubs played some really good baseball. Defensively both teams made many great plays on the field to limit many scoring opportunities. Oliver Parker would get the start on the mound for the Orioles and Dekin Davis for the Giants. The Giants would score 1 in the first inning from a towering left field hit from Emmy Wilson. She would get a double, but then get her way to third on a over throw from the left fielder. Antonio Meaker would eventually hit her in. The Orioles were able to get three runs in the bottom of the 1st from a lead off hit from Oliver Parker. Gavin G would hit a lazer shot in the right field driving in Colby Goodwin. The Giants were able to cushion their lead in the top of the 4th. The story of the game was baserunning mistakes by the Orioles. The Giants were able to pick off 4 runners, stalling any offensive momentum for the Orioles. Logan Russel game in and earned another save for the Giants. Again, he was very steady on the mound and was very efficient. The Giants improve to 8-4 on the season and will play the Twins Monday night.
